This document is an outline of the coverage proposed by the carrier(s), based on information provided by your company. It does not include all of the terms, coverage, exclusions, limitations, and conditions of the actual contract language. The policies and contracts themselves must be read for those details. Policy forms for your reference will be made available upon request.

The intent of this document is to provide you with general information regarding the status of, and/or potential concerns related to, your current employee benefits environment. It does not necessarily fully address all of your specific issues. It should not be construed as, nor is it intended to provide, legal advice. Questions regarding specific issues should be addressed by your general counsel or an attorney who specializes in this practice area.

Stay Healthy with Medical Coverage

Administered by Anthem

As a foundation for your good health, Truman provides you with a choice of three medical plan options from Anthem that offer quality, flexibility and value.

Nationwide Medical Benefits

You can receive the in-network level of benefits while traveling. If you obtain services from a non-Anthem provider, benefits will be paid at the out-of-network level. To find an in-network provider from outside the service area and when traveling outside of the United States, call 800.810.2583. You can also find Anthem providers online at www.anthem.com.

PPO

The Preferred Provider Organization (PPO) options (Plans A and B) from Anthem provide you with a high level of benefits when you use network providers. In general, PPOs offer inexpensive office visits, low to high annual deductibles and a high percentage of coverage when you use in-network providers. The PPO options also provide benefits when you use providers who are not contracted with the network. For such out-of-network expenses, the PPO requires separate, higher annual deductibles and pays a lower percentage of covered expenses.

HSA

The HSA Plan from Anthem provides benefit coverage after a higher in-network annual deductible is satisfied. Qualified high deductible health plans also give you the opportunity to open a Health Savings Account through which your contributions, earnings, and eligible withdrawals are tax-free. Truman will contribute \$1,000 per individual and \$2,000 per family to each employee's HSA in 2021. If you wish to establish a Health Savings Account (HSA), please contact Human Resources for details. Please review the comparison chart below for a summary of medical plan features.

Did You Know?

If you participate in the HSA Plan, you can set up a Health Savings Account (HSA) with a qualified HSA trustee, such as a bank or an insurance company.

Use the money in your HSA to reimburse yourself for qualified healthcare expenses.

If you're generally healthy, you can build a substantial balance in your HSA.

In addition, some preventive medications may be covered in full, prior to the deductible. Please refer to Anthem's Preventive Rx Drug List for these covered medications.

Take Your Medicine with Prescription Drug Coverage

If you enroll in a Truman medical plan, prescription drug benefits are available. If you take certain medications on a regular basis, you can save money by purchasing prescriptions by mail order. With mail order prescriptions, you pay less because of discounts and you get convenient home delivery.

Your prescription drug coverage is in the form of a four-tier benefit structure based on their Essential Formulary.

What Is a Formulary?

A formulary is an approved list of safe and effective brand name and generic drugs. Your copay varies, depending on the type of prescription.

	Anthem Pla	ns A and B	HSA Plan*/***		
Rx Category	Retail 30-Day Supply	Mail Order** 90-Day Supply	Retail 30-Day Supply	Mail Order** 90-Day Supply	
Level 1—Generic Drugs	\$15	\$30	20%	20%	
Level 2—Brand Name Formulary Drugs	\$30	\$60	20%	20%	
Level 3—Brand Name Non-Formulary Drugs	\$60	\$120	20%	20%	
Level 4—Self-Injectable	20% (\$200 maximum)	20% (\$200 maximum)	20%	20%	

*Prescriptions are purchased at retail, and then applied towards your deductible.

**Coverage is in-network only.

***Some preventive prescriptions now covered at 100% before deductible.

Did You Know?

Generic drugs are an excellent value. To help control the rising cost of prescription drugs, use a generic drug whenever possible. By law, the active ingredient(s) in generic and brand name drugs must meet the same standards for purity, strength and quality. Generic drugs cost less because they are created without the costly development, advertising, and sales expenses required for brand name drugs.

See Clearly with Vision Coverage

Insured by Davis Vision

Truman provides you and your covered family members with an opportunity to enroll in vision coverage from Davis Vision. The chart below provides plan details.

Enhance Your Smile with Dental Coverage

Administered by Delta Dental

Strong teeth and gums are an important part of good health, which is why Truman offers you and your eligible dependents a choice of two dental plans from Delta Dental of Missouri. Review the chart below for a comparison of dental features. Frequency limitations apply to certain services. Please see your Summary Plan Description for more information. As of January 1, 2021, additional discounts are available if a PPO dentist is utilized.

Delta Dental Providers

You may use any licensed dentist; however, you can save more on your out-of-pocket cost when you visit a Delta PPO Dentist. The Delta Dental Premier network also provides cost saving features and is the next best option when you cannot find a Delta Dental PPO dentist. The dentist you choose could affect your cost.

Flexible Spending Accounts

Administered by ASIFlex

Flexible spending accounts (FSAs) save you money by allowing you to pay for certain out-of-pocket healthcare and dependent care expenses with pretax dollars. Each year you will have the opportunity to participate in the FSAs and elect the amount you want to contribute to one or more of the FSAs. Your contributions will be deducted from your paychecks in equal installments throughout the year and deposited into your account(s). In 2021, you may contribute up to:

Healthcare Expense Account-\$2,750 per year

Dependent Care Account—\$5,000 per year (\$2,500 if you are married and file your taxes separately)

If you enroll in the HSA Plan with a Health Savings Account...the FSA can be used for unreimbursed dental and vision expenses as well as dependent care.

When you have eligible expenses, you submit a claim for reimbursement from your FSAs. For a complete list of eligible expenses, visit www.irs.gov.

Protect Your Loved Ones with Life and AD&D Insurance

Insured by The Standard

Life insurance protects your family or other beneficiaries in the event of your death while you are still actively employed. Your coverage amount will be paid to the beneficiary of your choice. Coverage amounts begin to reduce at age 65.

Basic Employee Life and AD&D

Truman pays for coverage in the amount of one times your annual salary up to a maximum of \$200,000.

Accidental Death

If your death is due to an accident, your beneficiary will receive an additional amount equal to your life insurance coverage.

Beneficiaries

Please remember to update your beneficiary designation!

Dismemberment

In the event of an accidental dismemberment, you will receive a scheduled benefit amount corresponding to the loss. Please see your Summary Plan Description for details.

Additional Life and AD&D

You may purchase additional voluntary life and AD&D insurance in the amount of 1, 2, or 3 times your annual earnings up to a maximum of \$500,000.

Dependent Life Insurance

You may purchase life insurance in the amount of \$5,000, \$10,000, or \$15,000 for your spouse and/or eligible child(ren).

Short-Term Disability

Short-term disability (STD) insurance provides income if you become disabled due to an injury or illness. The short-term disability (STD) plan pays you a weekly benefit after the start of your disability and pays 60% of your weekly salary with a maximum weekly benefit of \$2,000/week.

Long-Term Disability

If you become totally and permanently disabled, the longterm disability (LTD) plan begins to pay you a monthly benefit 180 days after the start of your disability. LTD works with Social Security-and any other group disability coverage-to provide you with a combined monthly benefit equal to 60% of the monthly salary you were earning as an active employee, up to a maximum benefit of \$10,000 per month.

Proof of Good Health

You are required to submit proof of good health for all late applications and requests for coverage increases and wait for approval before coverage becomes effective.

Accident

Accident Insurance helps pay for unexpected healthcare expenses due to non-occupational accidents and follow-up care. Coverage is available to all full-time employees, spouses, and children.

WHCRA Enrollment Notice

If you have had or are going to have a mastectomy, you may be entitled to certain benefits under the Women's Health and Cancer Rights Act of 1998 (WHCRA). For individuals receiving mastectomy-related benefits, coverage will be provided in a manner determined in consultation with the attending physician and the patient, for:

- » All stages of reconstruction of the breast on which the mastectomy was performed;
- » Surgery and reconstruction of the other breast to produce a symmetrical appearance;
- » Prostheses; and
- » Treatment of physical complications of the mastectomy, including lymphedema.

These benefits will be provided subject to the same deductibles and coinsurance applicable to other medical and surgical benefits provided under this plan. Therefore, the following deductibles and coinsurance apply: plan deductible may apply as shown on page 3. If you would like more information on WHCRA benefits, call your plan administrator Anthem at 833.924.0255.

Do you know that your plan, as required by the Women's Health and Cancer Rights Act of 1998, provides benefits for mastectomy-related services including all stages of reconstruction and surgery to achieve symmetry between the breasts, prostheses, and complications resulting from a mastectomy, including lymphedema? Call your plan administrator Anthem at 833.924.0255 for more information.

Newborns' Act Disclosure

Group health plans and health insurance issuers generally may not, under Federal law, restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section. However, Federal law generally does not prohibit the mother's or newborn's attending provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours as applicable). In any case, plans and issuers may not, under Federal law, require that a provider obtain authorization from the plan or the insurance issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours).

Important Notice from Truman State University About Your Prescription Drug Coverage and Medicare

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with Truman State University and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare's prescription drug coverage:

- 1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.
- 2. Truman State University has determined that the prescription drug coverage offered by the Anthem Medical Plan is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

When Can You Join A Medicare Drug Plan?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15th to December 7th.

However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

What Happens To Your Current Coverage If You Decide to Join A Medicare Drug Plan?

If you decide to join a Medicare drug plan, your current Truman State University coverage will be affected. See pages 7-9 of the CMS Disclosure of Creditable Coverage To Medicare Part D Eligible Individuals Guidance (available at http://www.cms. hhs.gov/CreditableCoverage/), which outlines the prescription drug plan provisions/options that Medicare eligible individuals may have available to them when they become eligible for Medicare Part D.

If you do decide to join a Medicare drug plan and drop your current Truman State University coverage, be aware that you and your dependents may not be able to get this coverage back.

When Will You Pay A Higher Premium (Penalty) To Join A Medicare Drug Plan?

You should also know that if you drop or lose your current coverage with Truman State University and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

For More Information About This Notice Or Your Current Prescription Drug Coverage...

Contact Anthem for further information at 833.924.0255. **NOTE**: You'll get this notice each year. You will also get it before the next period you can join a Medicare drug plan, and if this coverage through Truman State University changes. You also may request a copy of this notice at any time.

For More Information About Your Options Under Medicare Prescription Drug Coverage...

More detailed information about Medicare plans that offer prescription drug coverage is in the "Medicare & You" handbook. You'll get a copy of the handbook in the mail every year from Medicare. You may also be contacted directly by Medicare drug plans.

For More Information About Medicare Prescription Drug Coverage:

- » Visit www.medicare.gov.
- » Call your State Health Insurance Assistance Program (see the inside back cover of your copy of the "Medicare & You" handbook for their telephone number) for personalized help.
- » Call 1.800.MEDICARE (1.800.633.4227). TTY users should call 1.877.486.2048.

If you have limited income and resources, extra help paying for Medicare prescription drug coverage is available. For information about this extra help, visit Social Security on the web at www.socialsecurity.gov, or call them at 1.800.772.1213 (TTY 1.800.325.0778).

Remember: Keep this Creditable Coverage notice. If you decide to join one of the Medicare drug plans, you may be required to provide a copy of this notice when you join to show whether or not you have maintained creditable coverage and, therefore, whether or not you are required to pay a higher premium (a penalty).

Special Enrollment Notice

If you are declining enrollment for yourself or your dependents (including your spouse) because of other health insurance or group health plan coverage, you may be able to enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage (or if the employer stops contributing toward your or your dependents' other coverage). However, you must request enrollment within 31 days after your or your dependents' other coverage ends (or after the employer stops contributing toward the other coverage).

In addition, if you have a new dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your dependents. However, you must request enrollment within 31 days after the marriage, birth, adoption, or placement for adoption.

To request special enrollment or obtain more information, contact Human Resources, 660.785.4031, hrstaff@truman.edu

Premium Assistance Under Medicaid and the Children's Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you're eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren't eligible for Medicaid or CHIP, you won't be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit www.healthcare.gov.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a state listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are **not** currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial 877.KIDS.NOW or www.insurekidsnow.gov to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employersponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren't already enrolled. This is called a "special enrollment" opportunity, and you must request coverage within 60 days of being determined eligible for premium assistance. If you have questions about enrolling in your employer plan, contact the Department of Labor at www.askebsa.dol.gov or call 866.444.EBSA (3272).

If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of July 31, 2020. Contact your state for more information on eligibility.
