

Staff Council Bulldog Award Nomination Form

Thank you for taking the time to nominate a department for the Bulldog Award. Two awards are presented throughout the year to recognize departments who have done an exceptional job in their role at Truman and given back to the community. Please be aware that the Bulldog Awards apply to department staff members only, though we welcome submissions from anyone in the Truman community.

Nominations submitted go through a scoring process by the Staff Development and Recognition Committee. Please share your experiences about the department you want to recognize by providing information in the areas below. Each area will be scored, but don't feel that you have to provide feedback in all areas. The rubric is designed such that if one aspect doesn't apply, your nomination will accrue points in areas that won't apply to other departments.

Nomination For (department):

Point in which you feel is the candidate's strongest area (their Bulldog nomination)
